

# Trainer Management

Amsterdam warriors has the aim to be a future-proof association. Where young and old feel at home and can participate in all activities of the association in a safe sports climate. Everyone should be able to participate in the association. Through sport, we hope to teach the youth skills that will help them for the rest of their lives.

## The Football trainer

will be responsible for implementing the Amsterdam Warriors strategy regarding Football and developing kids technically, tactically, physically, and mentally. The trainer is ambitious and enthusiastic about his profession and possesses or is willing to get his degree in coaching certificate. Additionally, the trainer plans the training process and has a clear vision on how to develop Football teams in conjunction with the strategic lines.

## Activities

- \* Product: Plan and organize Football training sessions for all teams. Manage Football coaches and coordinate the training process with all relevant stakeholders. Deliver individual player progress reviews every quarter. Communicate successfully with parents about changes, events, tournaments. Point of contact for external stakeholders such as Dutch and international football institutions and sports facilities.
- \* Personnel: Keep track on the Football personnel progress and the development of the teams in terms of results and performance.
- \* Promotion: Contact person to external stakeholders so that all association activities can take place.

## Skills

- \* Helicopter view.
- \* Administrative skills.
- \* Communication.
- \* Passionate about coaching Football and managing personnel.
- \* Pro-active.
- \* Must support the Warriors' mission, vision, and strategy.

## Hours

- \* Plus, minus 10-15 hours in the peak periods (Aug/Sept + Dec/Jan/Feb + Apr/May)

## Compensation

In consultation.
